WORK EXPERIENCE

Pairwire | New York, United States of America
Co-Founder and Chief Sales and Marketing Officer | Nov 2024 – Present
- Design and execute Pairwire's go-to-market strategy, having engaged with 7155 leads and conducted 122 demos, and currently running 21 pilots - on a trajectory to capture of a $2.1 billion market growing 13% annually.
- Spearhead Pairwire's sales & marketing strategy, automating the sales pipeline to reduce lead qualification time by 78%.
- Lead financial strategy, positioning company for investor engagement, and manages accelerators and competition applications.

Google | Lisbon, Portugal
Business Analyst Intern | May 2024 – August 2024
- Built three globally scalable dashboards for the analysis of target ROAS[1] vs profit and CPA[2] vs conversions using App Script, GMP tools, integrating with Growth and Performance Planners, resulting in a team-projected 8-fold process-efficiency improvement and $1.41M savings.
- Developed a three-faceted platform for partners and managers to assess each project's financial impact and enable integrated project management, using Analytics 360, Looker Studio, and Apps Script - resulting in a projected €315k annual impact on the Portuguese market.
- Presented a set of personally curated market insights to 237 B- and C-level clients in a 20-minute session at the year's largest event, focused on Peak Season preparation.

Amazon | Madrid, Spain
Business Development Intern | May 2022 – Nov 2022
- Spearheaded the expansion of the B2B retail service to the Portuguese market, managing a portfolio of 2311 companies.
- Exceeded team KPIs, achieving 21 times the annual metrics for account configurations, and increasing the bottom-line share of the territory's total goal by 81%—from 56% below to 25% above the team's average.
- Compiled a 19-pager consulting report, assessing the B2B eCommerce market, 8 company territories, and 54 targeted client interviews.

EY | Lisbon, Portugal
Financial Services Office Assurance Associate | Feb 2022 – Apr 2022
- Verified the yearly financial statements of 3 different Insurance companies through the reconciliation of values with accredited sources.
- Examined an asset portfolio worth 41.3 billion euros, consulting 4 yearly financial reports and 48 financial statement spreadsheets.

Fintech House | Lisbon, Portugal
Business Development Intern | Jul 2020 – Sep 2020
- Launched an Acceleration Program with the founder of Portugal Fintech by formulating a benchmark report grounded on 54 renown programs, building a business model, and securing sponsor partnerships.
- Conceptualized and built an onboarding program featuring a 16-pager guide aimed at reducing training time by 65% for 34 incoming interns.
- Co-ordinated, on a daily basis, 4 partnerships with clients from both the company's sponsors' side and startups' side.
